

**BLACK HAWK MIDDLE SCHOOL  
Field Trip Permission Form**

Dear Parents:

Throughout the year our middle school students participate in field trips that may be in the district (ie: walk to somewhere in town) or out of the district. To help us maintain accurate records and to assist us in our future planning, we would like to obtain parental permission, which would cover all our scheduled field trips.

Prior to each field trip you will be notified of the date and location, and may be asked to sign that notification in order that we are assured of your knowledge of the trip.

**Please fill out the following information and return to school:**
