(Dumpsters are located next to Riechers Meats)

As always, the staff and Board thank everyone who has donated to the metal/aluminum can drive. The funds have proven to be beneficial to the staff and students of the school district. The district greatly appreciates the efforts of Powers Auction Service in providing this opportunity.

A couple of notes that we would like to make:

- Please do not place items with Freon/coolant in the recycling dumpster
- Please do not place TV's or Computer/Related technology in the dumpster
- Please do not place trash in the recycling dumpster
- The other dumpsters (serviced by Faherty) are for school uses only We do appreciate the donations. Improper use of the dumpsters costs the district and may result in a net loss.

Sincerely,
Willy Chambers

National Soils:

The soils team spent five exciting days in Oklahoma learning, competing, and exploring new places together. Throughout the trip, we visited parks, the Tallgrass Prairie Preserve, the Oklahoma National Stockyards, and the Myriad Botanical Gardens while also enjoying fun activities like shopping, a baseball game, and a dance. We practiced hard and studied each night to prepare for the soils competition, where everyone gave their best effort on competition day. Overall, the trip was a great experience filled with teamwork, learning opportunities, and unforgettable memories.

Mother's Day Flowers

At the end of the week of May 8th, the FFA invited every elementary class down to plant a flower for Mother's Day! We had so much fun with all the kids and hope they had fun celebrating their moms and all they do!!

The morning of May 13th, we had our Spring tractor drive! We had 6 members participate in the drive from old 11, south of town, to the community park. We're so happy they were all able to participate in this tradition and it was a great event to wrap up our year with!

End of the year potluck:

We had our end of the year pot luck on the seniors final day, May 15th! We enjoyed lunch and chatting with friends.

We held a tractor wash to raise money for the Broge family. People could come get farm equipment washed! We appreciate everyone that stopped by!

The fall of 2026, the Black Hawk/Warren Warrior football program will continue to run a flag football program for our communities’ youth, both *boys* and *girls* are welcome to participate. The practices and games will all be on Saturday mornings starting September 5th through September 26th. Participants will rotate through stations. The participants will learn fundamentals and techniques of position specific drills for offense and defense, as well as punting and kicking. Thank you, Parents Club for your support
through the year!!

April 10, 2026

Dear Parents or Guardians,

For many kids, summertime means food, friends, and fun for families who count on school breakfast and lunch, however, the summer months can be stressful and family food budgets have to be stretched even further. Free summer meals (breakfast and lunch) funded by the USDA, will be available to kids and teens ages 18 and younger at the Black Hawk School District DURING THE WEEKDAYS OF THE SUMMER SCHOOL SESSION (JUNE 8th THROUGH JUNE 26th). Children DO NOT NEED TO BE ENROLLED IN SUMMER SCHOOL TO PARTICIPATE IN THE FREE BREAKFASTS AND LUNCHES.

BREAKFAST will be served from 7:45 a.m. to 8:15 a.m. LUNCH will be served from 11:30 a.m. - 12:00 p.m.

Many summer meal sites offer fun learning and recreational activities so kids and teens can eat a healthy meal while staying active and being with friends. Sites are also registered with the USDA and are held at safe local places like schools, churches and community centers.

FREE SUMMER PROGRAM MEAL DETAILS:

Meals are FREE TO ALL CHILDREN AGES 18 AND YOUNGER who come to a summer school meal site. Free summer meals will help families SAVE MONEY and stretch their already tight food budgets. Food served is HEALTHY AND FOLLOWS USDA NUTRITION GUIDELINES. Summer meal sites are at fun, safe places for kids and teens to be active and visit with friends. No application or proof of income needed. You can just bring your child to a summer meals site in your community.

RESTRUCTURE MEETING
APRIL 29, 2026**

The meeting was called to order by President Dee Paulson at 6:11 pm in the upper commons. The following members were present Jim Baumgartner, Mindy Stauffacher, Dustin Williams, Dee Paulson, Cali Schliem and Jason Figi. Absent- Clayton Ruegesseger. Also present was Administration of Cory Milz and Tammy Zimmerman and 10 guests.

Motion by Baumgartner and seconded by Williams to consent to agenda which includes posting of the agenda and adoption of the agenda. The motion carried on a voice vote.

Public comment was called for- Mary Lou Pickett had questions and concerns about eliminating a position in the Elementary due to the fact about some students need more help than others.

Mr. Milz gave some information about the Elementary positions and having a combo grade of 3rd/4th grade. Current recommendation is to hire a 5K teacher. Looking at 30 kids in 4K and Early Childhood next year. 17 in 5th, 26 in 4th, 22 in 3rd. The board asked to get the teachers feedback before next board meeting. With one retirement and one resignation of another we will only hire back one teacher.

Motion by Paulson and seconded by Baumgartner to approve posting for an Elementary Teacher position. The motion carried on a voice vote.

Motion by Williams and seconded by Baumgartner to approve having a Board Employee Dinner on May 30, 2026, at the Village Inn. The motion carried on a voice vote.

Motion by Baumgartner and seconded by Willams to adjourn at 6:43 pm. The motion carried on a voice vote.

**SCHOOL DISTRICT
ANNUAL ASBESTOS NOTIFICATION
20025-2026 SCHOOL YEAR**

Under AHERA (Asbestos Hazard Emergency Response Act), all primary and secondary schools are required to develop and implement a plan for managing all building materials which contain asbestos. Included in the AHERA Act is the requirement to annually notify all workers and building occupants (or their guardians) of asbestos-related activities.

Beginning in 1988, all buildings owned, leased, or “under the control of” the School District were inspected by EPA accredited inspectors, with building material samples analyzed by an independent laboratory. Based on the inspection, the School District prepared and the state approved a comprehensive management plan for managing the asbestos.

Where the asbestos-containing materials are found, the District has in place an Operations and Maintenance program.

The District has accomplished the following compliance mandates regarding the administration of asbestos in school buildings:

- Environmental Management Consulting, Inc. (EMC) was contracted to be the school’s consultant for asbestos for the school year.
- The District is continuing with the Operations and Maintenance Program as designed for the School District. This ensures that all asbestos materials are kept in good condition in good condition.
- Periodic “surveillance” in each area containing asbestos has been completed every six months by our consultant. Also, the buildings are re-inspected by an accredited inspector every three years.

In the past year the district conducted the following asbestos removal activities:

- Removal of asbestos from the flooring systems in the 1921 building before building demolition
- Removal of asbestos - 9" tile in the main East/West Corridor and North-South Corridor of the 1956 portion of the building
- Removal of asbestos - 9" tile in rooms 14,15, and 18 in the 1956 portion of the building
- Removal of asbestos in the underlayment of the flooring system in the lower level of the 1938 building which includes rooms 35, 36, and 37 and the adjacent hallway.

A copy of the Asbestos Management Plan is available for review by contacting the District Office. Questions related to this plan or any other asbestos concerns should be directed to RJ Paulson
