Career Awareness Day, **Friday, October 24**. by Gabin Salad

Hi everyone!

If we haven't met yet, my name is Gabin. I'm a foreign exchange student from France! I come from a beautiful medieval village called Montcuq, located in the Occitanie region in the southwest of France. I live in the countryside, surrounded by fields and forests. It's a peaceful and picturesque place.

For high school, I used to commute to the nearby "big city" of Cahors. Every Monday morning, I took the bus, stayed at the school during the week, and returned home on Fridays. It was an unforgettable experience where I made amazing friends and created lasting memories. I graduated last year, so this exchange year is like a bonus adventure for me!

Now, you might be wondering, "Why did I choose to come to this high school?" Well, the truth is, I didn't exactly choose it! I had to write a short profile about myself and submit some photos on a website. From there, a host family selected me, and that's how I ended up here.

So far, I'm really enjoying my time here. Most of you have been incredibly kind and curious, and I truly appreciate the opportunity to share my culture with you. Of course, there are still things I need to get used to, especially the food, which is... let's say, quite unique!

The school system here is also completely different from what I'm used to in France. Back home, our school days run from 8 AM to 6 PM, with a one- or two-hour lunch break. Academics are generally more demanding, especially in subjects like math, and we have a final national exam at the end of senior year. Our results from both junior and senior years count toward our final grade, so yes, it's a lot of pressure!

That's why I'm really enjoying this experience abroad. I get to relax a little, focus less on heavy academics, and most importantly, connect with so many more people. It's been such a rewarding and eye-opening journey so far.

THANK YOU, WARRIOR NATION!

Because of YOUR support in 2024–2025, the Booster Club was able to give back in big ways:

- ✓ Indoor & outdoor speaker system (we hope you have noticed the incredible improvement!!!)
- ✓ Sports posters
- ✓ Hudl upgrades (iPad, camera, streaming)
- ✓ 3 student scholarships

Every dollar raised goes right back to Black Hawk students & programs—thank you for making that possible!

🏈 Now we're kicking off the 2025–2026 school year!!! We appreciate the students and staff who put together our Black Hawk Warriors on the fence! It looks awesome and we appreciate your help! Thanks to all who participated in our "Buy-a-Yard Line" fundraiser...winners are posted on the **Black Hawk Booster Club** page on Facebook. Welcome!

The 2025-2026 snuck right up on us. Hopefully, everyone enjoyed some family time and relaxation. My name is Sara Kaster, and I will again be the school nurse for the School District of Black Hawk. During my time away from school, I worked as a Nurse Practitioner in the Medical Oncology and Hematology department at a local hospital in Janesville, WI. My nursing background comes from the emergency department and working on medical inpatient units in the hospital. I have also done program management for heart failure, providing education to both patients and families. I am married to Brad (a bus driver for the school district), and we currently live outside of Browntown. We have a son named Cash, who is now 6 years old.

I look forward to meeting each student and family over the next school year. If you have any questions or concerns regarding your student, please feel free to contact me at 608-439-5400 ext 111. I am looking forward to a rewarding year working with all of our students and families. Let's keep everyone healthy!

Please make sure you return the following forms with your student to avoid any potential delays in providing care to them while they attend school:

- Consent for OTC/Non-Prescription Medication Administration Authorization
- Consent for Prescription Medication (this should be filled out for all students who may need to take a prescribed medication while at school. This includes inhalers if the student carries it with them). Will need to be completed by the physician and signed.
- FERPA/HIPPA Consent
- Health Form for the 25-26 school year
- All students going into 7th grade need to have a dose of the Tdap and the Meningococcal vaccine. Also, students going into 12th grade need a booster or their 1st dose of the Meningococcal vaccine if they have not gotten one before. Please schedule an appointment as soon as possible for your student.
- Dental Programs – For the 25-26 school year we are offering a dental program Seals on Wheels. They come to school and provide routine dental cleanings and exams for those with no insurance or insurance coverage-Please reach out to the office staff or visit the school website for an enrollment form

Disease of the Month: Hand, Foot, and Mouth Disease:

Hand, foot, and mouth disease (HFMD) is caused by viruses that spread year-round. Anyone can get HFMD, but most cases occur in infants and young children during the summer and fall. HFMD is usually not serious, but it can spread quickly, especially in schools and day cares.

How it spreads

- Having contact with respiratory droplets from a sick person's coughs or sneezes.
- Touching a sick person (such as kissing, hugging, or sharing cups or eating utensils).
- Touching poop from a sick person (for example, when changing diapers).
- Touching objects and surfaces that have the virus on them (such as toys, doorknobs, and tabletops).

Symptoms of HFMD generally last 7-10 days and include sores in their mouth and a rash on the hands and feet. They may also get a fever and develop a sore throat. Unfortunately, there is no treatment for HFMD, only symptom management, such as with acetaminophen and dehydration prevention.

Prevention of HFMD

- Wash your hands often with soap and water for at least 20 seconds. Be sure to wash your hands before and after caring for someone who is sick and after:
- Changing diapers
- Using the toilet
- Blowing your nose
- Clean and disinfect frequently touched surfaces and items, including toys and doorknobs.
- Avoid touching your eyes, nose, and mouth with unwashed hands.
- Avoid close contact with sick people, such as hugging or kissing them.

Healthy Daily Habits for KIDS

HAIR

Brush or comb your hair twice a day to keep the tangles out. Never share your brush or comb.

TEETH

Brush teeth twice a day - after breakfast and before you go to bed.

NAILS

Keep fingernails and toenails clean and trim them once a week. Bath time is usually best for trimming and cleaning under the nails.

SLEEP

Go to bed at about the same time every night. Spend some time doing a quiet activity such as reading a book or listening to music.

BODY

Take a bath or shower once a day. Wash your hair with shampoo often.

HANDWASHING

Always wash your hands with soap and water before eating, after playing outside, after going to the bathroom and after coughing or sneezing.

CLOTHING

Wear fresh clothes every day, even if your old clothes don't smell. Clean underwear is especially important.

Recycling and Other Dumpsters

(Dumpsters are located next to Riechers Meats)

As always, the staff and Board thank everyone who has donated to the metal/aluminum can drive. The funds have proven to be beneficial to the staff and students of the school district. The district greatly appreciates the efforts of Powers Auction Service in providing this opportunity.

A couple of notes that we would like to make:

- Please do not place items with Freon/coolant in the recycling dumpster
- Please do not place TV's or Computer/Related technology in the dumpster
- Please do not place trash in the recycling dumpster
- The other dumpsters (serviced by Faherty) are for school uses only

We do appreciate the donations. Improper use of the dumpsters costs the district and may result in a net loss.

Sincerely,
Willy Chambers

REGULAR MEETING

AUGUST 13, 2025

The board meeting was called to order at 6:00 pm in the upper commons by President Dee Paulson. The following members were present Val Dunlavey, Dee Paulson, Mindy Stauffacher, Jim Baumgartner, Cali Schliem, Clayton Ruegsegger and Jason Figi. Also present were Willy Chambers, Cory Milz and Tammy Zimmerman also present were 4 guests.

Motion by Baumgartner and seconded by Figi to consent to agenda which includes Agenda, Financial Report and minutes from July 2025 meetings. The motion carried on a voice vote.

Administration Report:

Chambers: Congratulations to Dee Paulson for achieving Level 1 in the Wisconsin Association of School Boards Member Recognition Program. Dee will be recognized at the Fall Regional Meeting. Unfortunately, it is the same night as our October Board meeting. Thank you to Dee and the rest of the board members for your dedication to the Black Hawk School District.

I was interviewed by Jason Makos from WEKZ radio. Most of the interview focused on the budget and potential referendum in the spring. Jason plans to continue conducting interviews.

Mr. Milz has organized and is running a raffle to support the fireworks for the homecoming events. I believe he would welcome Board members to purchase or sell tickets for the cause.

I received an email with a copy of a podcast that will go live on August 29th by Lighthouse Therapy. Janet Courtney from Lighthouse Therapy and I had a conversation related to education.

We received confirmation that our REAP grant (federal grant) was awarded today for \$36,485. This is a grant we typically receive every year.

I will meet with Steve LaVallee next week for the next policy update. There is a folder with technical corrections that I will be reviewing and approving. This is the notice that I have to give to the Board that those corrections will be made.

I will be in Stevens Point tomorrow for a Calendar and Contact Committee Meeting.

I only have four students "committed" to the VLN Education option. I will be calling the families that could be engaged to see if there is still interest or not. There is enough involvement for the option to be profitable for the district.

Milz: 1. Moved trophy cases to the hall where concessions will be served. Fire safety marshal recommendation. We are all so looking to put the individual recognitions in the hallway by the stairs of the west gym entrance. Possible BH Hall of Fame in that hallway as well, looking to form a committee.

2. Thank you to the Bidlingmaiers, Cory and Kerrie, for donating 2 steers for an athletic department fundraiser. Selling hamburger at Riecher's for \$4 a pound. All proceeds go to football, basketball, baseball, and volleyball.

3. Thank you to Carl Huschitt and Huschitt Show Cattle, as well as Andrew Ritchie and Avon Meat Locker for donating a steer and the processing for our Homecoming fireworks show. We have a raffle underway to raise the funds needed to support the cost of the fireworks. Thank you to Jerry Scott and Boom Boom Fireworks for continuing to offer us this display at a reduced cost.

4. Thank you to Bank of New Glarus, Gratiot and Woodford State Banks for their gifts of \$800 each for our Student of The Month recognition program. This has been a tradition for over 25 years.

5. This Saturday, August 16, is the Day at The Park activities and fundraiser organized by Jaime Berget and the BH Parent's Club. Check it out, proceeds go to Homecoming fireworks and the purchase of playground equipment/toys.

6. Want to thank and recognize Kayla Foster and the local fire departments for organizing a Back-to-School collection of school supplies for families in need. Pack The Bus — neat idea, and big shout out.

AD Report August 2025

- Summer is closing out and fall seasons have gotten underway.
- Summer hours were spent meeting with coaches to discuss the past and upcoming seasons.
- I met with wrestling coaches to discuss and establish a new wrestling schedule. We have a solid start but will continue to try to add meets.
- We have some gaps in JV and MS officials, but they are small compared to previous years.
- Some holes need to be filled with coaches. I've talked with head coaches and some possible interested individuals. We're fortunate to have head coaches who have been proactive and very helpful in filling these positions.
- I'd like some input to ticket-taking at home football games here at South Wayne. We only have two regular season games here, but last year, there was concern about people standing outside the fence in the parking lot.
- Coaches Mike Flanagan and Cory Milz have both been inducted into their respective Coaches Hall of Fames, and I'm planning on recognition for both of them. Coach Milz at the home football game vs Potosi-Cassville, and Coach Flanagan when the Darlington Girls play here in January.
- I want to thank all the workers we've had in the past and with a few not returning this year, I've contacted some potential replacements.
- Season Sporting posters are in the works again.
- A Huge thank you to the boosters on their work to secure funding for Hudl again this year.
- Beth has continued to organize our transportation and I'm grateful for all she does to get our student-athletes to the places and on-time for all the practices and events.

Board of education report: Buses can fill up at the Pec Coop non manned station between the hours of 7:45am-9:00am Monday-Friday it will be done as an inhouse charge just like at the other station.

MS Haack from Barneveld talked about passing referendums 1st one failed and what they changed to go back and have a successful one.

On August 6th Dee, Jim and Jason put the banner on Bus # 64 and took it out to Roger Jackson's. This was planned out to with family, and it was very touching for the family and Roger. The banner was paid for by the board members.
