Good luck to the JV Football team at Monroe. The team will leave at 5:00 p.m.

Middle School Boys Basketball Practice for 6th/7th grade will be at Black Hawk from 7:30-8:15 p.m. and 8th grade will be at Black Hawk tonight from 8:15-9:00 p.m.

Friday, the high school football team will be taking on Potosi-Cassville for the conference championship. We will be honoring 2025 Wisconsin Football Coaches Association Hall of Fame inductee, Mr. Milz at halftime. It will also be "orange out" night. Orange is the color that serves as a powerful symbol of support for leukemia, representing hope, strength, and energy in the fight against the disease. Two individuals from the Black Hawk-Warren football community have recently been diagnosed and are undergoing treatments for Leukemia. We will be hosting a miracle minute on behalf of those families. Please come out and cheer on the Warriors, show your congratulations to Mr. Milz and demonstrate solidarity with the Heller and Romero families by participating in "Orange Out"!

Interersted in going to a hockey game? FBLA is hosting a night at the Madison Capitals game which will include a presentation prior to the game about careers in sports entertainment! Cost will be \$20. Sign up with Mr. Behlke by Oct. 28.

Lunch today is: Pulled Pork, Goldfish Crackers, Broccoli, Strawberries, and Milk.
