ACKNOWLEDGMENT OF RECEIPT OF EMPLOYEE POLICIES AND HANDBOOK

I acknowledge that I have received and reviewed a copy of the School District of Black Hawk's Employee Handbook (Handbook). I understand that it is my responsibility to read it thoroughly. If there are any policies or provisions provided to me that I do not understand, I will seek clarification from my immediate supervisor. I understand that this Handbook states the School District of Black Hawk's policies and procedures in effect on the date of publication. I also understand that these policies and procedures are continually evaluated and may be amended, modified or terminated at any time, with or without prior notice.

I further understand that nothing contained in the Handbook may be construed as creating a guarantee of future employment, future benefits or a binding contract with the School District of Black Hawk for employment or benefits or for any other purpose. I understand that if any Board policy is in violation of state or federal law, the Board will follow the state or federal law, and the policy will be deemed to be amended to the extent necessary to comply with state and federal law.

I understand that my employment is at will and my employment may be terminated at any time for any reason, with or without cause and with or without notice, at the option of the District or at my option unless my employment is covered by an individual contract under Wis. Stats. 118.22 or Wis. Stats. 118.24. I understand that the only basis on which my employment at will status can be changed is if I have an individual written employment agreement approved by the School Board or am covered by a collective bargaining agreement, either of which contains provisions that provide that I am not an at will employee. I understand that nothing in this *Handbook* is intended to confer a property interest in my continued employment with the District beyond the term of my current contract (if any).

I understand that I must sign and date a copy of this receipt and return it to the district office by the end of the third full day of work for the 2024-2025 contract year. Failure to do so may result in my immediate termination.

I understand that I have an obligation to inform my supervisor of any changes in my personal information, such as phone number, address, etc. I also accept responsibility for contacting my supervisor if I have any questions, concerns or need further explanation. My signature on this form or my verification via Employee Access is acknowledgement that I agree that I am legally responsible for any fines or fees charged to the school District incurred by me (an example may be a traffic citation, e.g. a parking ticket, received as a result of my operation of a District motor vehicle) or reduction in salary for breach of contract. If any contractual relationship between the District and an employee (or group of employees) conflicts with any provision of this *Handbook*, the contract shall govern with respect to that issue.

For non-exempt employees, issues concerning overtime, compensatory time off and minimum wage are found at www.dol.gov/whd/flsa. Notification of rights under the FLSA is set forth in the employment poster section at www.dol.gov/whd/regs/compliance/posters/flsa.htm.

Family and Medical Leave Act

A. Notification of Benefits and Leave Rights: Since the District has an employee handbook or other written policy concerning employee benefits or leave rights, information concerning FMLA entitlements and employee obligations under the FMLA is included in the *Handbook* as required by federal law. The District shall post the text of the notice contained in the following link in a conspicuous place where notices to employees and applicants are customarily placed: <http://www.dol.gov/whd/regs/compliance/posters/fmlaen.pdf>. See 29 U.S.C. § 2619(a); 29 C.F.R. § 825.300(a)(1).

B. Eligibility Notice. When an employee requests FMLA leave, or when the employer acquires knowledge that an employee's leave may be for an FMLA-qualifying reason, the employer must notify the employee of the employee's eligibility to take FMLA leave within five business days, absent extenuating circumstances. 29 C.F.R. § 825.300(b).

C. Rights and Responsibilities Notice. The District shall provide written notice outlining specific obligations of the employee and explaining any consequences of not meeting those requirements. 29 C.F.R. § 825.300(c). The District is satisfying this notice requirement by directing the employee to the following website, which combines the eligibility notice and the rights & responsibilities notice into a single form: U.S. DEP'T OF LABOR, *Notice of Eligibility and Rights & Responsibilities (FMLA)*, available at <http://www.dol.gov/whd/fmla/finalrule/WH381.pdf>.

E. Designation Notice. The District shall "inform employees in writing whether leave requested under the FMLA has been determined to be covered under the FMLA." U.S. DEP'T OF LABOR, *Designation Notice (Family and Medical Leave Act)*, available at <http://www.dol.gov/whd/forms/WH-382.pdf>. See 29 C.F.R. § 825.300(d).

Immigration Law Compliance

The District is committed to employing only United States citizens and aliens who are authorized to work in the United States. Therefore, in accordance with the Immigration Reform and Control Act of 1986, employees must complete an I-9 form before commencing work and at other times prescribed by applicable law or District policy.

Employee Harassment

The School District of Black Hawk is committed to maintaining and ensuring a working environment that is free of harassment or intimidation toward employees. The District will not tolerate any form of illegal harassment, including sexual harassment, and will take all necessary and appropriate action to eliminate it, up to and including discipline of the offenders. Harassment refers to physical or verbal conduct, or psychological abuse, by any person who disrupts or interferes with a person's work performance, or which creates an intimidating, hostile or offensive work environment. Harassment may be student to staff, staff to staff, male to female, female to male, female to female, or male to male. Harassment may include, but is not limited to, the following:

1. Verbal harassment, including epithets, kidding, derogatory comments, slurs or ethnic jokes;
2. Physical interference with movement, activities or work;
3. Visual harassment, including derogatory cartoons, drawings or posters; and
4. Sexual harassment, which is defined as any deliberate, repeated or unwanted verbal or physical sexual contact, sexually explicit derogatory statements, or sexually discriminating remarks that are offensive or objectionable to the recipient or which causes the recipient discomfort or humiliation or which interferes with the recipient's work performance. Sexual harassment can take the form of any unwanted sexual attention, ranging from leering, pinching, patting, verbal comments, display of graphic or written sexual material and subtle or expressed pressure for sexual activity. In addition to the anxiety caused by sexual demands on the recipient, sexual harassment may include the implicit message from the alleged offender that noncompliance will lead to reprisals. Reprisals may include, but are not limited to: the possibilities of harassment escalation, unsatisfactory work evaluations, difference in work treatment, sarcasm, or unwarranted comments to or by peers. It is further the policy of the District that a sexual relationship between staff and students is not permissible in any form or under any circumstances, in or out of the school/workplace, in that it interferes with the educational process and involves elements of coercion by reason of the relative status of a staff member. Any individual who

believes he/she has been subjected to harassment by any other person should report the incident to the building principal/designee or immediate supervisor. It is the intent of the District to create an atmosphere where complaints and alleged complaints will be treated fairly and quickly. If an employee is not comfortable with making a complaint to the principal/designee or immediate supervisor, the complaint may be made to any other adult employee. The employee will report the complaint to the appropriate principal/designee, supervisor or the District Administrator. The District Administrator shall establish a written procedure for responding to complaints. The procedure shall include a means for the complainant to appeal decisions to the Board of Education. This policy and complaint procedure will be made available to all District employees on an annual basis. The District forbids retaliation against anyone who has reported harassment or cooperates in a harassment investigation. However, the District requests that all complaints will be made in good faith and based on a reasonable belief that a student or employee has been harassed.

See School Board Policy 1422/2266

Special Events Attendance:

Elementary – Classroom teachers will be expected to attend with their class, even if it is during the staff members prep. Specials staff will be expected to attend at times when they have classes scheduled with elementary students.

Middle School/High School - If an event for MS/HS students is scheduled during your prep you will be asked to attend the event. Specials staff will be expected to attend at times when they have classes scheduled with middle school/high school students.

If any staff member goes below 225 minutes of prep per week and chooses to submit a time sheet, the district will pay the period sub rate.

Bulletin Boards

The Employer shall provide a bulletin board as a limited forum for employees to post professional development information and other apolitical literature that is directly connected to employment at the District and is consistent with District policy and applicable law. If a collective bargaining unit exists, the Association will be allowed to post items on the bulletin board subject to the restrictions set forth herein and as amended by the applicable collective bargaining agreement. All distributed and posted materials shall always be professional in approach, shall not contain any derogatory comments about staff, parents, students or board members and shall not be in contravention of any District policy or law. The District Administrator and/or his/her designee shall be allowed to remove material from the bulletin board(s) at his/her discretion.

Child Abuse Reporting

Any school employee who has reasonable cause to suspect that a child, seen by the person in the course of professional duties, has been abused or neglected or who has reason to believe that a child, seen by the person in the course of professional duties, has been threatened with abuse or neglect, and that abuse or neglect of the child will occur, shall report as provided for below.

A person required to report shall immediately inform, by telephone or personally, the applicable District administrative personnel, the Lafayette or Green County Social Service Department, and/or any other applicable protective agency in Lafayette or Green County, of the facts and circumstances contributing to a suspicion of child abuse or neglect or of unborn child abuse or to a belief that abuse or neglect will occur.

Communications

The District is committed to providing technology resources that allow employees to communicate effectively with all employees in the District. In the District's effort to maintain current technology practices, more responsibility and cooperation is required of employees to use the core software programs and technology resources.

Electronic Communications:

Electronic communications are protected by the same laws and policies and are subject to the same limitations as other types of media. When creating, using or storing messages on the network, the user should consider both the personal ramifications and the impact on the District should the messages be disclosed or released to other parties. Extreme caution should be used when committing confidential information to the electronic messages, as confidentiality cannot be guaranteed.

The District may review email logs and/or messages at its discretion. Because all computer hardware, digital communication devices and software belong to the Board, users have no reasonable expectation of privacy, including the use of email, text-message and other forms of digital communications, e.g. voicemail, Twitter™, Facebook™, etc. The use of the District's technology and electronic resources is a privilege which may be revoked at any time.

Electronic mail transmissions and other use of the District's electronic communications systems or devices by employees shall not be considered confidential and may be monitored at any time by designated District staff to ensure appropriate use. This monitoring may include, but is not limited by enumeration to, activity logging, virus scanning, and content scanning. Participation in computer mediated conversation/discussion forums for instructional purposes must be approved by the principal and District administration. External electronic storage devices are subject to monitoring if used with District resources.

User Responsibilities:

Network/Internet users (students and District employees), like traditional library users or those participating in field trips, are responsible for their actions in accessing available resources. The following standards will apply to all users (students and employees) of the Network/Internet:

The user in whose name a system account is issued will be responsible at all times for its proper use. Users may not access another person's account without written permission from an administrator or immediate supervisor.

The system may not be used for illegal purposes, in support of illegal activities, or for any other activity prohibited by District policy.

Users may not redistribute copyrighted programs or data without the written permission of the copyright holder or designee. Such permission must be specified in the document or must be obtained directly from the copyright holder or designee in accordance with applicable copyright laws, District policy, and administrative regulations.

A user must not knowingly attempt to access educationally inappropriate material. If a user accidentally reaches such material, the user must immediately back out of the area on the Internet containing educationally inappropriate material. The user must then notify the building administrator and/or immediate supervisor of the site address that should be added to the filtering software, so that it can be removed from accessibility.

A user may not disable internet tracking software or implement a private browsing feature on District computers or networks. Browsing history shall only be deleted by authorized staff or in accordance with the District's technology department's directives.

Electronic Communications with Students: Employees are prohibited from communicating with students who are enrolled in the District through electronic media, except as set forth herein. An employee is not subject to this prohibition to the extent the employee has a pre-existing social or family relationship with the student. For example, an employee may have a pre-existing relationship with a niece or nephew, a student who is the child of an adult friend, a student who is a friend of the employee's child, or a member or participant in the same civic, social, recreational, or religious organization.

The following definitions apply for purposes of this section on Electronic Communication with Students:

"Authorized Personnel" includes classroom teachers, counselors, principals, assistant principals, directors of instruction, coaches, campus athletic coordinators, athletic trainers, and any other employee designated in writing by the District Administrator or a building principal.

"Communicate" means to convey information and includes a one-way communication as well as a dialogue between two or more people. A public communication by an employee that is not targeted at students (e.g., a posting on the employee's personal social network page or a blog) is not a communication; however, the employee may be subject to District regulations on personal electronic communications. Unsolicited contact from a student through electronic means is not a communication.

"Electronic media" includes all forms of social media, such as, but not limited by enumeration to, the following: text messaging, instant messaging, electronic mail (email), web logs (blogs), electronic forums (chat rooms), video sharing websites (e.g., YouTube™), editorial comments posted on the Internet, and social network sites (e.g., Facebook™, Myspace™, Twitter™, LinkedIn™), and all forms of telecommunication such as landlines, cell phones, and web-based applications.

Limited Electronic Communication with Students:

Authorized Personnel may communicate through electronic media with students who are currently enrolled in the District only within the following guidelines:

The employee shall limit communications to matters within the scope of the employee's professional responsibilities (e.g., for classroom teachers, matters relating to class work, homework, and tests).

If an employee receives an unsolicited electronic contact from a student that is not within the employee's professional responsibilities (e.g., for classroom teachers, matters relating to class work, homework, and tests), the employee shall not respond to the student using any electronic media except to address a health or safety emergency.

The employee is prohibited from communicating with students through a personal social network page; the employee must create a separate social network page ("Professional page") for this purpose. The employee must enable administration and parents to access the employee's professional page.

Only a teacher, coach, trainer, or other employee who has an extracurricular duty may communicate with students through text messaging. The employee may communicate only with students who participate in the extracurricular activity over which the employee has responsibility.

Upon request from administration, an employee will provide the phone number(s), social network site(s), or other information regarding the method(s) of electronic media the employee uses to communicate with any one or more currently-enrolled students.

The employee continues to be subject to applicable state and federal laws, local policies, administrative regulations, including:

- a. prohibitions against soliciting or engaging in sexual conduct or a romantic relationship with a student.
- b. confidentiality of student records.
- c. confidentiality of other District records, including educator evaluations, credit card numbers, and private email addresses.
- d. Upon written request from a parent, the employee shall discontinue communicating with the parent's minor student through email, text messaging, instant messaging, or any other form of one-to-one communication.
- e. An employee may request an exception from one or more of the limitations above by submitting a written request to his/her immediate supervisor.

Retention of Electronic Communications and other Electronic Media:

The District archives all non-spam emails sent and/or received on the system in accordance with the District's adopted record retention schedule. After the set time has elapsed, email communications may be discarded unless the records may be relevant to any pending litigation, pending public records request, or other good cause exists for retaining email records. Employees who create pupil records via email need to ensure that pupil records are retained for the period of time specified by the pupil records law. For this reason, the District heavily discourages the use of email as the means to communicate about individually identifiable students.

Electronic Recording: Employees shall not electronically record by audio, video, or other means, any conversations or meetings unless each and every person present has been notified and consents to being electronically recorded. Persons wishing to record a meeting must obtain consent from anyone arriving late to any such meeting. Employees shall not electronically record telephone conversations unless all persons participating in the telephone conversation have consented to be electronically recorded. These provisions are not intended to limit or restrict electronic recording of publicly posted Board meetings, grievance hearings, and any other Board sanctioned meeting recorded in accordance

with Board policy. These provisions are not intended to limit or restrict electronic recordings involving authorized investigations conducted by District personnel, or authorized agents of the District, or electronic recordings that are authorized by the District, e.g. surveillance videos, extracurricular activities, voicemail recordings.

Compliance with Federal, State and Local Law: For all electronic media, employees are subject to certain state and federal laws, local policies, and administrative regulations, even when communicating regarding personal and private matters, regardless of whether the employee is using private or public equipment, on or off District property. These restrictions include:

- a. Confidentiality of student records.
- b. Confidentiality of other District records, including educator evaluations and private email addresses.
- c. Confidentiality of health or personnel information concerning colleagues, unless disclosure serves lawful professional purposes or is required by law.
- d. Prohibition against harming others by knowingly making false statements about a colleague or the District.
- e. Prohibitions against soliciting or engaging in sexual conduct or a romantic relationship with a student.
- f. Upon written request from a parent, the employee shall discontinue communicating with the parent's minor student through email, text messaging, instant messaging, or any other form of one-to-one communication.

Personal Web Pages: Employees may not misrepresent the District by creating, or posting any content to, any personal or non-authorized website that purports to be an official/authorized website of the District. No employee may purport to speak on behalf of the District through any personal or other non-authorized website.

Disclaimer: The District's electronic systems are provided on an "as is, as available" basis. The District does not make any warranties, whether expressed or implied, including, without limitation, those of merchantability and fitness for a particular purpose with respect to any services provided by the system and any information or software contained therein. The District does not warrant that the functions or services performed by, or that the information or software contained on the system will meet the system user's requirements, or that the system will be uninterrupted or error-free, or that defects will be corrected. Opinions, advice, services, and all other information expressed by system users, information providers, service providers, or other third-party individuals in the systems are those of the individual or entity and not the District. The District will cooperate fully with local, state, or federal officials in any investigation concerning or relating to misuse of the District's electronic communications system.

Confidentiality

Pupil information employees obtain as the result of their employment with the District is confidential and protected by law unless such information has been designated as pupil directory data as set forth in Board policy. The law and respect for our students require that student issues are only discussed with employees and parents who need to know the information. In addition to student information, confidentiality is expected in other areas, including employee or District business information. Any requests for District records shall be referred to the appropriate administrator.

Conflict of Interest

A conflict of interest is defined as any judgment, action or relationship that may benefit an employee or another party the employee is affiliated with because of the employee's position with the District.

Employees are required to avoid outside activity that may compete or be in conflict with the best interests of the District. Employees must disclose to their immediate supervisor information of any transaction that may be considered a conflict of interest as soon as they know the facts. No employee may use his or her position to obtain financial gain or anything of substantial value for the private benefit of himself or herself or his or her immediate family, or for an organization with which he or she is associated.

Contracts and Conflict of Interest

No employee may negotiate or bid for, or enter into a contract in which the employee has a private financial gain or interest, direct or indirect, if at the same time the employee is authorized or required by law to participate in the employee's capacity as an employee in the making of that contract or to perform in regard to that contract some official function requiring the exercise of discretion on the employee's part. No employee may, in the employee's capacity as an employee, participate in the making of a contract in which the employee has a private financial gain or interest, direct or indirect, or performs in regard to that contract some function requiring the exercise of discretion on the employee's part. See Wis. Stats. § 946.13(1)(a) and (b).

Copyright

A variety of machines and equipment for reproducing materials to assist staff in carrying out their educational assignments are available to staff in both the school and home setting. Infringement on copyrighted material, whether prose, poetry, graphic images, music audiotapes, video or computer-programmed materials, is a serious offense against federal law, a violation of Board policy and contrary to ethical standards required of staff. All reproduction of copyrighted material shall be conducted strictly in accordance with applicable provisions of law. Unless otherwise allowed as "fair use" under federal law, permission must be acquired from the copyright owner prior to reproduction of material in any form. Employees are further advised that copyright provisions apply to all forms of digital media. Questions regarding copyright shall be directed to District Library Media Specialist.

Criminal Background Checks

All applying for a position are required to file in writing, in advance of employment on forms provided by the District, a statement identifying whether the applicant: A. Has been convicted of any misdemeanor or felony in this state or any other state or country; B. Has been dismissed or non-renewed, or has resigned from employment in lieu of a potential dismissal or non-renewal, for any of the following causes: failure to meet the District's performance expectations, incompetence, inefficiency, neglect of duty, immoral conduct, unprofessional conduct or insubordination. Knowingly falsifying information or omitting requested information shall be grounds for termination of employment, or refusal to consider for hire. Additionally, all persons applying for any position shall be required to:

1. Agree to the release of all investigative records to the Board for examination for the purpose of verifying the accuracy of criminal violation information; and
2. Supply a fingerprint sample if required and submit to criminal history records checks. Employment will be offered pending the return and disposition of such background checks. All offers of employment are contingent upon the results of such checks. The Board shall only consider an applicant's criminal record to the extent the circumstances of the conviction are substantially related to the circumstances of the particular job.

Criminal Background Checks/Charges/Convictions for Active Employees - Obligation to Report Criminal Record

Every District employee shall notify his/her immediate supervisor or administrator as soon as possible, but no more than three calendar days, after any arrest, indictment, conviction, no contest or guilty plea, or other adjudication of the employee for any felony, any offense involving moral turpitude, and any of the other offenses as indicated below:

- A. crimes involving school property or funds;
- B. crimes involving attempt by fraudulent or unauthorized means to obtain or alter any certificate or permit that would entitle any person to hold or obtain a position as an educator;
- C. crimes that occur wholly or in part on school property or at a school-sponsored activity;
- D. a misdemeanor which involves moral turpitude [e.g. an act or behavior that gravely violates moral sentiments or accepted moral standards of the community]; or
- E. a misdemeanor which violates the public trust.

The requirement to report a conviction or deferred adjudication shall not apply to minor traffic offenses. However, an offense of operating under the influence, revocation or suspension of license, and driving after revocation or suspension must be reported if the employee drives or operates a District vehicle or piece of mobile equipment or transports students or staff in any vehicle. Failure to report under this section may result in disciplinary action, up to and including termination. Such report shall be made as soon as possible, but in no circumstance more than three calendar days after the event giving rise to the duty to report. The District may conduct criminal history and background checks on its employees. An arrest or conviction of a crime shall not be an automatic basis for termination. The District will consider the circumstances of the offense, and whether the circumstances of the offense substantially relate to the circumstances of the employee's job in determining what action, if any, should be taken against an employee who is convicted of a crime during employment with the District: If an employee is arrested during employment with the District, the District will determine whether the circumstances of the offense substantially relate to the circumstances of the employee's job. If the District determines there is a substantial relationship, the District may place the employee on unpaid administrative leave pending the District's further investigation.

Nothing herein shall prohibit the District from placing an employee on administrative leave based upon an arrest, indictment or conviction.

District Property

The District may supply an employee with equipment or supplies to assist the employee in performing his/her job duties. All employees are expected to show reasonable care for any equipment issued and to take precautions for theft. Employees cannot take District property for personal use or gain. Any equipment, unused supplies, or keys issued must be returned prior to the employee's last day of employment, including, but not limited by enumeration and the key fob for building entry. District equipment borrowed for short term use should be returned the first work day after project completion.

Drug-, Alcohol-, and Tobacco-Free Workplace

The District seeks to provide a safe, drug-free workplace for all of its employees.

Prohibited Acts

Drugs and Alcohol: The manufacture, distribution, dispensation, possession, use of or presence under the influence of alcohol, inhalants, controlled substances or substances represented to be such, or unauthorized prescription medication, is prohibited on school premises or at school activities.

Employees of the school system shall not possess, use, or distribute any illicit drug or alcoholic beverage as defined in Wisconsin Statutes while on school premises or while responsible for chaperoning students on school sponsored trips. In addition, the District prohibits an employee from engaging in the manufacture, distribution, dispensation, possession, or use of illegal drugs, controlled substances or unauthorized prescription medication at any time and in any location, even where the employee is not on District premises or on work time. Any employee who violates the District's Drug and Alcohol Policy may be disciplined, up to and including discharge. All school employees shall cooperate with law enforcement agencies in investigations concerning any violation of this provision.

Tobacco Products

Employees shall not use tobacco products on District premises, in District vehicles, nor in the presence of students at school or school-related activities. Employees who violate this policy will be subject to disciplinary action, up to and including termination from employment. § 120.12(20), Wis. Stats.

Drug-Free Awareness Program

As required by the Federal Drug Free Workplace Act, the District shall establish a drug-free awareness program to inform employees about the dangers of drug abuse in the workplace, the District's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation and (if applicable) employee assistance abuse programs, and the penalties that may be imposed upon employees for drug abuse violations. 41 U.S.C. § 702(a) (1)

Reasonable Suspicion Testing

All employees shall be required to undergo alcohol and drug testing at any time the District has reasonable suspicion to believe that the employee has violated the District's policy concerning alcohol and/or drugs. Reasonable suspicion alcohol or drug testing may be conducted when there is reasonable suspicion to believe that the employee has used or is using drugs or alcohol prior to reporting for duty, or while on duty, or prior to or while attending any District function on or off District property. The District's determination that reasonable cause exists must be based on specific, contemporaneous, accurate observations concerning the appearance, behavior, speech or body odors of the employee. A trained supervisor must make the observations. Refusal to consent to testing will result in disciplinary action, up to and including termination of employment.

Additional Testing and Requirements

Employees required to possess a commercial driver's license will be required to undergo any drug testing required by relevant law, Board policy, and administrative rules. Furthermore, before working for the District, a driver must complete and turn in the "Acknowledgement and Acceptance of Driver Alcohol and Drug Testing Policy/Procedures."

Notification of Conviction

As a further condition of employment, an employee who is engaged in the performance of a federal grant shall notify the District Administrator of any criminal drug statute conviction for a violation occurring in the workplace no later than three days after such conviction. Within ten days of receiving such notice – from the employee or any other source – the District shall notify the federal granting agency of the conviction. Drug-Free Workplace Act, 41 U.S.C. 702(a) (1) (D). After receiving notice from an employee of a conviction for any drug statute violation occurring in the workplace, the District shall either (1) take appropriate personnel action against the employee, up to and including termination of employment, or (2) require the employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a federal, state, or local health agency, law

enforcement agency, or other appropriate agency. 41 U.S.C. 703 [This notice complies with notice requirements imposed by the federal Drug-Free Workplace Act (41 U.S.C. 702)].

Consequence for Violation

Employees who violate the District's policies and rules regarding alcohol or drug use shall be subject to disciplinary sanctions, up to and including termination from employment with the District, and referral to appropriate law enforcement officials for prosecution. Compliance with the District's policies and rules is mandatory and is a condition of employment. In its sole discretion, the District may allow an employee to undergo evaluation for alcoholism or drug addiction and successfully complete any recommended treatment, in lieu of termination.

False Reports

Employees may be disciplined for filing false reports or statements including but not limited to the following: accident reports, attendance reports, insurance reports, physician's statements, pre-employment statements, sick leave requests, student records, tax withholding forms and work reports.

Financial Controls and Oversight

The employee shall adhere to all internal controls that deter and monitor all fraud or financial impropriety in the District. Any person who suspects fraud or financial impropriety in the District shall report the suspicions immediately to any supervisor, the District Administrator or designee, the Board President, or local law enforcement. Reports of suspected fraud or financial impropriety shall be treated as confidential to the extent permitted by law. Limited disclosure may be necessary to complete a full investigation or to comply with law. Each employee who supervises or prepares District financial reports or transactions shall set an example of honest and ethical behavior and shall actively monitor his or her area of responsibility for fraud and financial impropriety. Neither the Board nor any District employee shall unlawfully retaliate against a person who in good faith reports perceived fraud or financial impropriety.

Fraud and Financial Impropriety

The District prohibits fraud and financial impropriety, as defined below, in the actions of its Board members, employees, vendors, contractors, consultants, volunteers, and others seeking or maintaining a business relationship with the District.

10. Failure to provide financial records required by state or local entities;
11. Failure to disclose conflicts of interest as required by law or District policy;

12. Disposing of District property for personal gain or benefit and,
13. Any other dishonest act regarding the finances of the District.

If an employee is found to have committed fraud or financial impropriety, the District Administrator or designee shall take or recommend appropriate disciplinary action, which may include termination of employment. When circumstances warrant, the Board, District Administrator, or designee may refer matters to appropriate law enforcement or regulatory authorities. In cases involving monetary loss to the District, the District may seek to recover lost or misappropriated funds.

Gambling

Gambling on District-owned or leased premises or using District property is prohibited at all times. Gambling during the workday on or off District property is prohibited.

Gifts and Sale of Goods and Services

Gifts

An employee or a member of the employee's immediate family may not accept, directly or indirectly, any gift, money, gratuity, or other consideration or favor of any kind from anyone other than the District that a reasonable person would understand was intended to influence official action or judgment of the employee in executing decision-making authority affecting the District, its employees or students. It shall not be considered a violation of this policy for an employee to receive entertainment, food, refreshments, meals, health screenings, amenities, foodstuffs, or beverages that are provided in connection with a conference sponsored by an established or recognized statewide association of school board officials or by an umbrella or affiliate organization of such statewide association of school board officials. Exceptions to this policy are acceptance of minor items, which are generally distributed to all by companies through public relations programs. Teachers should accept only gifts of token value from students.

The District encourages individuals to decline gifts, gratuities or favors from any outside organization or individual doing business or seeking to do business with the District. Gifts that are intended for the benefit of the District should be referred to building administrator for proper processing under the District's policy on gifts and solicitations and the terms of § 118.27, Wis. Stats. Gifts of nominal or of insubstantial value and services offered for a reason unrelated to the employees' position and which could not reasonably be expected to influence a decision could be accepted. Larger gifts to employees as an individual and gifts of more than a nominal or insignificant value should be graciously declined. Please refer to information on conflicts of interest and gifts and solicitations in § 19.59, Wis. Stats.

Sale of Goods and Services

No District employee may receive for his or her personal benefit anything of value from any person other than his or her employing District to sell, promote the sale of or act as an agent or solicitor for the sale of any goods or services to any public school pupil while on the property of his or her employing District or at an activity of his or her employing District. § 118.12, Wis. Stats.

Honesty

Honesty is a core value in the District. Employees shall not create any intentional inaccuracies verbally or on official District documents such as time sheets, job applications, pupil records, etc.

Investigations

Expectation of Cooperation

In the event of a District investigation or inquiry, every District employee has an affirmative duty to provide to his/her supervisor(s) or any other District official assigned to investigate all relevant and factual information about matters inquired about, subject to the provisions in paragraph "B", below. Employees failing to volunteer such information shall receive a directive from an administrator to provide the requested information. The employee's failure to comply with the directive may constitute "insubordination," a violation that will be grounds for disciplinary action up to and including termination.

Investigation interplay with potential criminal conduct

If the alleged misconduct may constitute criminal conduct by the employee, the employee may be provided a Garrity warning. *Garrity v. New Jersey*, 385 U.S. 493 (1967).

Administrative Leave

The District may place an employee on administrative leave, paid or unpaid, during an investigation into alleged misconduct by the employee.

Licensure/Certification

Each employee who is required to be licensed or certified by law must provide the District with a copy of the current license or certificate to be maintained in his or her personnel file. Employees are expected to know the expiration date of their license/certification and meet the requirements for re-licensure or certification in a timely manner. A teaching contract with any person not legally authorized to teach the named subject or at the named school is void. All teaching contracts shall terminate if, and when, the authority to teach terminates.

Nepotism

Applicants for employment in the District shall be selected without regard to a relationship by affinity or consanguinity, which they may have with a current employee of the District, except that the District may refuse to hire or promote a person into a position when the position will report to an individual who is the spouse of the person considered for hire or promotion, or when the position will report to an individual with whom the person has a relationship by affinity or consanguinity. In addition, to avoid possible conflicts of interest, which may result from employment procedures, an employee who is related by affinity or consanguinity to another employee or applicant shall not participate in any decision to hire, retain, promote, evaluate or determine the salary of that person.

Definition: For the purposes of this Handbook, a "relationship by affinity" is defined as one that includes, but is not limited to, a relationship which an individual has with his or her spouse, designated partner, father-in-law, mother-in-law, brother-in-law, sister-in-law, son-in-law, daughter-in-law, adoptive sibling, adoptive child, adoptive parent, adoptive first cousin, a financial dependent or co-dependent [for example sharing the same place of residence]. A "relationship by consanguinity" is defined as a relationship which an individual has with a blood relative that extends to first cousin. The phrase "decision to hire" includes every aspect of the hiring process.

Employee Reporting Requirements: Should a District employee be called upon to participate in a decision to hire, retain, promote, evaluate, or determine the salary of a person related to him or her by affinity or consanguinity, as defined above, the employee shall refrain from participating in such

decision and shall instead delegate his or her decision making authority regarding that person to the District Administrator or his or her designee. Should the District Administrator be called upon to participate in a decision to hire, retain, promote, evaluate or determine the salary of a person related to him or her by affinity or consanguinity as defined above, he or she shall refrain from participating in such decision and shall instead delegate his or her decision making authority in regard to the employment status of that person (i.e., decision to hire, retain, promote, evaluate, etc.) to another employee of the District.

Operators of District Vehicles, Mobile Equipment and Persons Who Receive Travel

Allowances or Mileage Reimbursement

All employees who drive a District street vehicle, operate mobile equipment, or receive a District travel allowance or mileage reimbursement must undergo an annual driver's license record check.

Notice of Traffic Violations

All employees who drive a District vehicle, operate mobile equipment, or receive a District travel allowance or mileage reimbursement must notify their immediate supervisors immediately of any driving citation or conviction of a traffic violation, including citations or convictions resulting from the operation of a personal vehicle. Supervisors receiving such notice will immediately notify the District Administrator. Payment of any citations received while driving a District vehicle is the responsibility of the driver.

Commercial Driver's License (CDL):

In addition to the notice requirements in paragraph A, above, and pursuant to CDL Requirements, a CDL driver must notify his/her employer, in writing and within 30 days, of a conviction for any traffic violation regardless of the type of vehicle being driven at the time of the violation.

Drivers

All drivers of motor vehicles owned by the District and used for the transportation of pupils shall be under written contract with the Board. See Wis. Stats. § 121.52(2).

Personal Transportation Utilized for School Use

Car Insurance - Employees who transport students for school activities in their cars shall carry minimum insurance policy limits of \$500,000 combined single limit (CSL) liability, \$250,000/\$500,000 bodily injury and \$100,000 property damage. A minimum of private car transportation will be utilized. Employees must notify and receive approval from the building principal or district administrator prior to transporting students in private cars for school activities. Such approval shall be in compliance with all applicable state and federal laws and administrative code provisions and shall include, but not be limited by enumeration to, a review of the employee's driving record and an examination of the vehicle. See Wis. Stats. § 121.555.

All transportation will be done in accordance with Board policy.

Outside Employment

Outside employment is regarded as employment for compensation that is not within the duties and responsibilities of the employee's regular position with the school system. Personnel shall not be prohibited from holding employment outside the District as long as such employment does not interfere with assigned school duties as determined by the District. The Board of Education expects employees to devote maximum effort to the position in which employed. An employee will not perform any duties related to an outside job during regular working hours or for professional employees during the additional time that the responsibilities of the District's position require; nor will an employee use any District facilities, equipment or materials in performing outside work. When the periods of work are such that certain evenings, days or vacation periods are duty free, the employee may use such off-duty time for the purposes of non-school employment.

Personal Appearance/Staff Dress Code

District employees are judged not only by their service but also by their appearance. It is the District's expectation that every employee's appearance is consistent with the high standards we set for ourselves as a District. Employees are expected to present a well-groomed, professional appearance and to practice good personal hygiene. Remember, to our students, parents and the public, employees represent the District. The District expects that all employees are neat, clean, and wear appropriate dress for work that is in good taste and suitable for the job at hand. The District will not tolerate dress or attire from school employees that the principal or supervisor considers disruptive, inappropriate, or which adversely affects the educational atmosphere.

Personal Property

Liability

The District does not assume any responsibility for loss, theft or damages to personal property. In order to minimize risk, the District advises employees not to carry unnecessary amounts of cash or other valuables. If employees bring personal items to work, they are expected to exercise reasonable care to safeguard them. The District is not liable for vandalism, theft or any damage to cars parked on school property. The District carries no accident insurance or other insurance coverage for any loss or injury for which the District does not have legal responsibility.

If the complaint is about a practice or activity of the District Administrator, the complaint must be filed with the Board President.

An employee is protected from retaliation only if the employee brings the alleged unlawful policy, practice, or activity to the attention of the District and provides the District with a reasonable opportunity to investigate and correct the alleged unlawful policy, practice, or activity pursuant to the District's chain of command or complaint policies. The protection described below is only available to employees who comply with this requirement. The protection against retaliation that is described below does not limit the District from taking disciplinary or other employment action, including termination, against an employee where that discipline or employment action is not based on the employee's filing of a good faith complaint under this policy. The District will not retaliate against an employee who in good faith has made a protest or raised a complaint against some policy, practice, or activity of the District, or of another individual or entity with whom the District has a business relationship, on the basis of a reasonable belief that the policy, practice, or activity is in violation of law or a clear mandate of public policy. The District will not retaliate against an employee who discloses or threatens to disclose to a supervisor or a public body any policy, practice, or activity of the District that the employee reasonably believes is in violation of law or a rule or regulation mandated pursuant to law or is in violation of a clear mandate of public policy concerning the health, safety, welfare, or protection of the environment.

A District employee who believes that a safety or health standard is being violated, or that a situation exists which poses a recognized hazard likely to cause death or serious physical harm, may request the District to conduct an internal review of the matter. While the District cannot make deductions from pay for absences of an exempt employee occasioned by jury duty, attendance as a witness or temporary military leave, the employer can offset any amounts received by an employee as jury fees, witness fees or military pay for a particular week against the salary due for that particular week without loss of the exemption. See 29 CFR §541.602(b)(3).

E. Deductions from pay of exempt employees may be made for unpaid disciplinary suspensions of one or more full days imposed in good faith for infractions of workplace conduct rules. Such suspensions must be imposed pursuant to a written policy applicable to all employees. See 29 CFR §541.602(b)(5).

F. The District is not required to pay the full salary for weeks in which an exempt employee takes unpaid leave under the Federal or Wisconsin Family and Medical Leave Acts. Rather, when an exempt employee takes unpaid leave under either Family and Medical Leave Act, an employer may pay a proportionate part of the full salary for time actually worked. See 29 CFR §541.602(b)(5).

G. Exempt employees who are eligible to accrue sick, personal and other paid leave who take leave for personal reasons or because of illness or injury of less than one work day may have their pay docked when such accrued leave is not used by the employee because:

1. Permission for its use has not been sought or has been sought and denied;
2. Accrued leave has been exhausted; or
3. The employee chooses to use leave without pay.

H. It is the policy of the Black Hawk School District that improper pay deductions from the salary of exempt employees under the federal Fair Labor Standards Act as specified in board policy, this handbook and 29 C.F.R. § 541.602 are prohibited. Employees are to promptly report any improper pay deductions to the bookkeeper in the district office, Ms. Tammy Zimmerman. Employees who have had improper deductions made from their compensation will be promptly reimbursed. See 29 CFR §541.603(d).

The District retains the right to select the most qualified applicant for any position. The term applicant refers to both internal candidates and external candidates for the position.

Involuntary Transfers

When the District determines that an involuntary transfer of an employee is necessary, the District will first provide a conference with the affected teacher, followed by a written notice from the District Administrator and/or his/her designee which will include the reasons for the transfer. An employee who is involuntarily transferred shall suffer no loss of wages, hours, or other fringe benefit as a result of such transfer.

REDUCTION IN FORCE, POSITIONS & HOURS

Reasons for Reduction in Force

In the event the Board determines to reduce the number of positions (full nonrenewal) or the number of hours in any position (partial nonrenewal), the provisions set forth in this section shall apply.

Notice of Reduction

The District will provide notice of nonrenewal in accordance with the timelines set forth in § 118.22, Wis. Stats. The nonrenewal notice shall specify the effective date of the nonrenewal, the right to a private conference under § 118.22, Wis. Stats and will refer the employee to the Reduction in Force provision in this Handbook.

Selection for Reduction

Criteria (to be considered by the District in its discretion)

1. Certification: Teacher certification and/or teacher certifiability will be based on the documentation on file with the District or that which can be provided/obtained by the teacher
2. Educational needs of the District: Educational needs of the District will be those needs (i.e. curricular needs, program needs, educational needs at various grade levels) as identified and determined by the Board through the administrative process in accord with its constituted authority in order to meet state mandates.
3. District Service: This is measured by counting the number of school semesters taught in the District on a continuous basis and under a regular contract. A teacher receives a semester credit for each full semester they teach. Interruptions of District service by District approved leaves or layoffs will not be considered to break the chain of semester service in the District. Voluntary separation by legal resignation will be considered as severance of service and loss of accumulated seniority. If a teacher voluntarily severs service and then at a later date is rehired, his/her newly earned seniority will begin the semester he/she starts teaching.
4. Teacher relevant teaching experience: Teacher relevant experiences will be those qualifications and experiences that best relate to the position(s) to be filled and District needs as determined by the Board.

The District will cooperate with the Employees in compiling a seniority list to be circulated by the Association on an annual basis on or before October 1 of each year. Final determination of seniority will be made on the basis of a review of the most conclusive evidence of seniority at the time of the layoff notice. This point is made here to preclude argumentation based on a published list which may inadvertently be in error.

Reduction in Hours Resulting in Nonrenewal

Employees who are non-renewed and such nonrenewal results in a reduction in hours shall not lose any benefits they have accrued. Benefits are defined as length of service and sick leave earned as an employee. Reduced in time employees shall be treated as part-time employees under this Handbook.

Employees non-renewed under this section shall retain the reemployment options set forth herein for a period of twelve (12) months after the employee's last day of work with the District.

Reemployment Obligations – Employee

All employees non-renewed under this section shall have their names placed on a reemployment list. In the event a vacancy occurs or a new position is created while employees are on the reemployment list, the District shall first attempt to fill the position utilizing the vacancy and transfer language contained in this Handbook. Employees on the reemployment list may apply for the vacant position according to the terms of this Handbook. The District will post vacancies in accordance with the terms of this Handbook.

Termination of Reemployment Opportunities

Reemployment opportunities shall end should an employee refuse reemployment to a position under Part II of this Handbook, except as provided below. Casual or substitute work with the District during the reemployment period shall not extend the reemployment period. Employees on the reemployment list may refuse reemployment to positions with a substantially different full-time equivalency (FTE), substitute or temporary positions without loss of the ability to apply to the next available position for which the employee is qualified. Employees on reemployment list shall not lose the ability to apply for an equivalent FTE position(s) if they accept a position with a different FTE level, a substitute appointment or a temporary appointment, with the District.

PART III – NON-EXEMPT STAFF WITHOUT INDIVIDUAL CONTRACTS UNDER § 118.22, WIS. STATS.

DISCIPLINE AND DISCHARGE

Discipline and Discharge

Employees who serve as support staff and whose performance is deemed unsatisfactory may be discharged by the administration at any time. The Board or Administration, in their discretion, may elect to pursue other remedial options including but not limited to the establishment of performance plans, demotion, salary or wage reduction or attendance at conferences or programs intended to assist the employee in the performance of his or her responsibilities. Discipline and discharge decisions are subject to the District's Grievance Procedure, which is referenced in section 1 of this Handbook.

Representation

In the event any employee is called to a meeting with representatives of the Employer for the purpose of issuing discipline or discharge, or for the purpose of investigating circumstances that may lead to discipline or discharge, the Employer shall advise the employee of his or her right to Association representation prior to the meeting. In the event the employee chooses to have Association representation, the meeting shall be delayed until appropriate Association representation may be obtained. If no Association representative is available, the employee may elect to proceed with the meeting without an Association representative, or may elect to waive his or her opportunity to meet, in which case the District may make its decision without conducting an employee meeting. Nothing in this provision prevents the District from removing an employee from the work place if immediate action is required.

Disciplinary Materials

Copies of any disciplinary material(s) shall be provided to the employee before such material is placed in an employee's personnel file.

HOURS OF WORK AND WORK SCHEDULE

Letter of Appointment

Each employee shall be issued an annual letter of appointment that shall be consistent with, but subservient to, this Handbook and board policy, before the last student contact day of the school year. The letter of appointment shall identify the employee, the date of hire, the position(s) that the employee is employed for, the length of the work year, the length of the work day, the tentative starting and ending times of the work day, and the pay rate for the position. Specific assignments and hours cannot be guaranteed but an effort will be made to place the employee in a similar position (i.e., assignment, wages and hours) as the one currently held.

A new letter of appointment shall be issued in cases of transfers, promotions, demotions, and partial or full layoff. In the case of a change of assignment the employee shall be provided with at least three (3) calendar days' notice of the change of assignment, if practicable, as determined by the administration.

Regular Workday and Starting and Ending Times

A regular full-time workday is eight (8) hours, excluding lunch time. Because of different schedule requirements, employee's starting, lunch, and finishing times may vary in different assignments and locations. The employee's immediate supervisor will schedule working hours, break periods, and lunch periods.

Regular Work Week

A regular work week is forty (40) hours or less. The regular work week is five (5) consecutive days unless the immediate supervisor assigns the employee to a different work schedule. This section shall not be construed as a guarantee or limitation on the number of hours per day or hours in a work week which may be scheduled or required by the District.

Part-time Employees

A regular schedule of hours shall be prepared for part-time employees. Such schedule shall be made known to the affected employees.

Additional Hours and Overtime - Approval and Assignment

Approval

In order for an employee to work beyond his or her contract hours in any week, prior approval must be obtained from the superintendent person appointed by the superintendent. Exceptional cases requiring overtime may be approved after the overtime is worked when all administrators/principals/immediate supervisors are unavailable and such pre-approval may cause harm to students, staff, and the community or District property. Employees that work unapproved overtime are subject to discipline.

Assignment

Non-emergency scheduled overtime assignments will be filled using volunteers first, with as much notice as possible, and if insufficient volunteers are found, the work will be assigned to a qualified employee(s) as determined by the District. If no one volunteers to perform the overtime, the District may assign the work on a rotating basis within the applicable job classification. Emergency overtime assignments shall be assigned at the discretion of the District.

Pay Rate for Overtime

Time worked over forty (40) hours per week is paid at one and one-half (1.5) rate. "Time worked over forty (40) hours per week" does not include sick, vacation, holiday, or personal leave hours paid. The

reason for overtime must be indicated on the back of the employee's time card. For the sole purpose of determining the appropriate pay period for the receipt of overtime pay, a week is defined as a pay period starting at 12:00 a.m. on Sunday and ending at 11:59 p.m. on Saturday.

Compensatory Time Off

In lieu of overtime pay, employees may, at their option, choose to receive compensatory time off. Compensatory time off may be taken by mutual agreement between the employer and the employee. One and one-half (1.5) hours of compensatory time off will be granted for each one (1) hour of work above forty (40) hours per week. Time over forty (40) hours per week does not include sick, vacation, holiday or personal leave hours paid.

An agreement must be reached between the employer and the employee in order for compensatory time off to be utilized. 29 C.F.R. 553.23. This agreement may be done through an employee-employer agreement negotiated with the individual employee.

The agreement must be reached and accepted before the employee performs the work compensable as overtime. A record of the agreement must be kept. Written agreement is preferable. Agreement must provide for overtime hours to be compensated at a rate of not less than time and one-half for each overtime hour worked.

The employee may accumulate up to sixteen (16) hours of compensatory time off. Any overtime exceeding sixteen (16)] hours must be paid in cash. The employer, in its sole discretion, may pay cash in lieu of accrued compensatory time off at any time. Any unused compensatory time off will be paid out on the last paycheck in June in the fiscal year in which the time was earned.

The District may require that compensatory time off be exhausted before vacation is taken, even if this will result in accrued vacation being forfeited by the employee.

The District may in its discretion deny a request to use compensatory time off if the employee's absence on the day requested would cause an undue disruption to the District's operations (e.g., another member of the department or grade level has already requested leave on that day; the district has a special event scheduled such as an open house or parent teacher conferences; the district is unable to find a substitute employee and would be left short-staffed, etc.).

If the District denies a request to use compensatory time off, it may either substitute the leave with cash compensation, or notify the employee of a suitable time in which he or she may use his or her earned compensatory time within a reasonable period of time of the original request (e.g., within two weeks of the request).

Lunch Period

All employees who work six (6) hours or more per day will be entitled to an unpaid half-hour lunch period, which shall be duty free.

Breaks

Employees scheduled to work at least four (4) hours per work day shall receive one (1) fifteen (15) minute paid break. Employees scheduled to work at least eight (8) hours per work day shall receive two (2) fifteen (15) minute paid breaks. Breaks shall be scheduled by the immediate supervisor.

Hours Worked Break(s) and Lunch Period Scheduling

0 to 3.49 hours 0 minutes

At least 3.5 to 5.99 hours 15 minute paid break

At least 6.0 to 7.99 hours 15 minute paid break and 30-minute unpaid duty-free lunch

Custodians are expected to check on the condition of the facilities and perform any tasks necessary to return the facility to normal operating conditions, including snow removal. Other normal duties are not required.

All other employees shall not be required to report to work on days when the school to which they are assigned is closed due to inclement weather or situations beyond the control of the District. Employees shall be required to make days up in the event that the District schedules make-up days.

Attendance at Meetings

The layoff notice shall specify the effective date of layoff, which it is the responsibility of the employee to keep the District informed in writing of any changes in the employee's address, and it will refer the employee to the Reduction in Force provision in this Handbook.

In the implementation of staff reductions under this section, the District will consider the following:

Attrition

Volunteers

The District will ask for volunteers. Volunteers will only be accepted by the District if in the District's opinion the remaining employees in the job category are qualified to perform the remaining work. Requests for volunteers will be sent to employees within each job category. An employee who volunteers to be laid off will put his/her request in writing. The District will provide the volunteer(s) with a layoff notice. Volunteers will be provided with all procedures under this section of the Handbook.

Recall/Rehire Process Period

Laid-off employees shall retain the option to be recalled for a period of eighteen (18) months either after the employee's last day of work with the District or from the time the employee received the notification of layoff, whichever is later.

Recall Procedure

All laid off employees shall have their names placed on a recall list. In the event a vacancy occurs or a new position is created while employees are on layoff, the District shall first attempt to fill the position

utilizing the vacancy and transfer language contained in this Handbook. Employees on recall may apply for the vacant position according to the terms of this Handbook. The District will post vacancies in accordance with the terms of this Handbook.

Termination of Recall Options

Recall options shall end should an employee refuse recall to a position in the job category, except as provided below. Casual or substitute work with the District during the recall period shall not extend the recall period. Employees on layoff status may refuse recall to positions with a substantially different full-time equivalency (FTE), substitute or temporary positions without loss of options to the next available position for which the employee is qualified. Employees on layoff status shall not lose recall options to an equivalent FTE position(s) if they accept a position with a different FTE level, a substitute appointment or a temporary appointment, with the District.

Payments for co-curricular activities shall be made in accordance with District payroll procedures.

Work Schedule

Co-curricular assignments may occasionally occur during part of an employee's regular workday in his/her other position(s) with the District (e.g., as a teacher). In such cases, the employee shall consult

with the supervisor of his/her regular assignment to determine the appropriate course of action. In the supervisor's sole discretion, the employee may be (1) required to work a flexible schedule to make up time lost during his/her regular workday; (2) relieved from the requirement to make up the time lost; (3) required to re-schedule the extra-curricular activity; or (4) required to take any other action that the supervisor deems reasonable.

Evaluation of Co-Curricular Assignments

Individuals holding co-curricular assignments shall be evaluated in the manner and frequency that their supervisor deems appropriate. When determining the manner and frequency of evaluations, the supervisor may take into account including but not limited to such factors as (1) the individual's experience with the particular activity; (2) Input received from participants, parents, and other stakeholders; (3) the extent to which an individual needs additional guidance or oversight; and (4) any other consideration that a supervisor, in his/or reasonable discretion, deems appropriate.

Volunteers

Upon approval from the Board and the athletic director or principal, an individual may serve as a volunteer coach/advisor for a co-curricular activity. The following guidelines apply to volunteers:

- A. They will not be eligible for salary/wages, stipend, or benefits;
- B. They will be covered by the District's general liability insurance policy while acting as a volunteer coach for the District. However, there is no coverage under the District's liability insurance policy for claims made against volunteers by other volunteers or District employees;
- C. They will be responsible for their own personal injuries (i.e., ineligible for worker's compensation);
- D. They must consent to a background check and agree to have a tuberculin skin (TB) test;
- E. They must follow all District activity and athletic policies and procedures and other District policies as applicable;
- F. They accept direct and indirect supervision of the head coach; and,
- G. They may be dismissed at any time without cause.

The School District employees shall be given first opportunity to fill the co-curricular positions.

APPENDIX F: FMLA POSTER

EMPLOYEE RIGHTS AND RESPONSIBILITIES UNDER THE FAMILY AND MEDICAL LEAVE ACT

Basic Leave Entitlement

FMLA requires covered employers to provide up to 12 weeks of unpaid, job-protected leave to eligible employees for the following reasons:

- for incapacity due to pregnancy, prenatal medical care or child birth;
- to care for the employee's child after birth, or placement for adoption or foster care;
- to care for the employee's spouse, son, daughter or parent, who has a serious health condition; or
- for a serious health condition that makes the employee unable to perform the employee's job.

Military Family Leave Entitlements

Eligible employees whose spouse, son, daughter or parent is on covered active duty or call to covered active duty status may use their 12-week leave entitlement to address certain qualifying exigencies. Qualifying exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.

FMLA also includes a special leave entitlement that permits eligible employees to take up to 26 weeks of leave to care for a covered servicemember during a single 12-month period. A covered servicemember is: (1) a current member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness*; or (2) a veteran who was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible employee takes FMLA leave to care for the covered veteran, and who is undergoing medical treatment, recuperation, or therapy for a serious injury or illness.*

***The FMLA definitions of "serious injury or illness" for current servicemembers and veterans are distinct from the FMLA definition of "serious health condition".**

Benefits and Protections

During FMLA leave, the employer must maintain the employee's health coverage under any "group health plan" on the same terms as if the employee had continued to work. Upon return from FMLA leave, most employees must be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms.

Use of FMLA leave cannot result in the loss of any employment benefit that accrued prior to the start of an employee's leave.

Eligibility Requirements

Employees are eligible if they have worked for a covered employer for at least 12 months, have 1,250 hours of service in the previous 12 months*, and if at least 50 employees are employed by the employer within 75 miles.

***Special hours of service eligibility requirements apply to airline flight crew employees.**

Definition of Serious Health Condition

A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job, or prevents the qualified family member from participating in school or other daily activities.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than 3 consecutive calendar days combined with at least two visits to a health care provider or one visit and

a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

Use of Leave

An employee does not need to use this leave entitlement in one block. Leave can be taken intermittently or on a reduced leave schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the employer's operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.

Substitution of Paid Leave for Unpaid Leave

Employees may choose or employers may require use of accrued paid leave while taking FMLA leave. In order to use paid leave for FMLA leave, employees must comply with the employer's normal paid leave policies.

Employee Responsibilities

Employees must provide 30 days advance notice of the need to take FMLA leave when the need is foreseeable. When 30 days notice is not possible, the employee must provide notice as soon as practicable and generally must comply with an employer's normal call-in procedures.

Employees must provide sufficient information for the employer to determine if the leave may qualify for FMLA protection and the anticipated timing and duration of the leave. Sufficient information may include that the employee is unable to perform job functions, the family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider, or circumstances supporting the need for military family leave. Employees also must inform the employer if the requested leave is for a reason for which FMLA leave was previously taken or certified. Employees also may be required to provide a certification and periodic recertification supporting the need for leave.

Employer Responsibilities

Covered employers must inform employees requesting leave whether they are eligible under FMLA. If they are, the notice must specify any additional information required as well as the employees' rights and responsibilities. If they are not eligible, the employer must provide a reason for the ineligibility.

Covered employers must inform employees if leave will be designated as FMLA-protected and the amount of leave counted against the employee's leave entitlement. If the employer determines that the leave is not FMLA-protected, the employer must notify the employee.

Unlawful Acts by Employers

FMLA makes it unlawful for any employer to:

- interfere with, restrain, or deny the exercise of any right provided under FMLA; and
- discharge or discriminate against any person for opposing any practice made unlawful by FMLA or for involvement in any proceeding under or relating to FMLA.

Enforcement

An employee may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against an employer.

FMLA does not affect any Federal or State law prohibiting discrimination, or supersede any State or local law or collective bargaining agreement which provides greater family or medical leave rights.

FMLA section 109 (29 U.S.C. § 2619) requires FMLA covered employers to post the text of this notice. Regulation 29 C.F.R. § 825.300(a) may require additional disclosures.
